## WABISABI GALLERY SHOW AT THE BAA

ARNE SEQUIN

Please plan to visit the Belleville Art Association on Saturday September 13 from 2-4 p.m. and explore the Japanese philosophy of Wabi Sabi which is the theme of the new art exhibit. Wabi Sabi showcases the imperfection and the unconventional in works of art that celebrate simplicity and impermanence. Paintings of

a wide and diverse subject matter as well as artists' personal choice are on display. Artisan work such as jewelry, mosaics and fibre arts pieces related to this theme will be available.

This is an opportunity to meet and mingle with the artists and enjoy treats and refreshments. Alongside the art for sale there

are unique artist designed cards for every occasion. Wabi Sabi is on display from September 9 to October 4 at the Belleville Art Association located at 208 Front Street in downtown Belleville. Find the beauty in the unfinished and weathered textures of art that withstands the passage of time.
